Inaugural ILN Day a Tremendous Success

The ILN and its member firms held their first successful annual ILN Day on October 17, 2008. ILN Day kicked off with Burton & Company in New Zealand and spanned numerous time zones, concluding with a session at Holland & Hart in Las Vegas & Reno, Nevada.

Firms celebrated ILN Day in a number of ways, from a morning tea to lunch to late afternoon meetings. The firms logged on to view a pre-recorded presentation by Executive Director, Alan Griffiths, before joining him and Director of Network Development, Lindsay Griffiths, for a live webinar session. Members could see Alan and Lindsay live on video, and were able to ask questions to learn more about the Network. The pre-recorded presentation is available to view online at: <http://breeze78476313.acrobat.com/p60262832/>.

As part of the ILN Day celebration, participating firms were able to nominate their favorite charity to receive a \$5,000 donation from the ILN. The winner of this year's donation was Scottish firm, Miller Samuel's nomination, Scottish Spina Bifida.

The International Lawyers Network facilitates personal relationships among lawyers in mid-sized law firms all over the world, allowing them to confidently operate in a global marketplace while retaining their independence and local expertise. As one of the largest networks of experienced attorneys in the world, the ILN provides a platform for clients to access quality legal professionals worldwide with the cost-effectiveness and personalized service only independent, regional law firms can provide. With 91 high-quality, full-service and specialized law firms and over 5,000 lawyers in 64 countries on six continents, the excellence, demonstrated experience, worldwide presence, and relationships of the International Lawyers Network combine to make this Network one of the leading associations of independent law firms in the world.
